Week 9 Term 2

PRINCIPAL'S PIECE

Cross Country TODAY

Congratulations to our three competitors in the regional Cross Country held at Winton today. They did themselves and the school proud. Marcus Perry came in 26th, Cooper O'Neill was 41st and Charlotte Ross came in a reputable 50th.

Review

Thanks to the parents who came and took part in the review focus group on Monday. The reviewers spoke to parents, students and staff to help develop our next four year strategic plan. A report will be provided later in term 3.

Bookfair

The bookfair will start next week on Monday. Parents and children can come to the library before and after school to purchase good quality books and merchandise for themselves and other family and friends. EFTPOS facilities will be available.

Safety messages

This week I will be visiting classrooms to share a couple of safety messages with children. One is about walking safely to school. We are about to have walking 'steps' painted on surrounding streets to remind children of the safe routes to walk. Check out the extra information at www.getmoovingshepparton.com.au The other message is about 'stranger danger'. Children must be aware not to talk to strangers or be tricked into taking food, treats or rides from strangers. Please help by reinforcing these messages at home too.

JUNIOR NEWS

What a great term! We have had a busy few weeks in the Junior Section. We enjoyed listening to class talks. Children were very creative with their presentations, we could see the effort that went into preparing and practising them. The audience displayed excellent listening skills and asked interesting questions at the end of each talk. Swimming week was enjoyed by all! It was really good to watch the children become more confident in the water and further develop their skills. They were also very organised with their belongings which was great to see. A big thank you to all of our parent helpers. We were very lucky to have helpers come on the bus or meet as at the pool. We couldn't do it without you, it makes our program run very smoothly!

REMINDERS

Continue listening to your child read regularly and remember to fill out their yellow book. The children really look forward to receiving their stickers for reading at home.

Please ensure all items are labelled. We have a number of items in lost property.

Tatura Primary School is proud to be a sustainable school. Please help us by sending your child's food in reusable containers. The children enjoy counting rubbish free lunches each day.

It's a Miracle by Ella Cope 3/4B

Audrey Barrow's feet kicked up red dust as she ran. "Look, Mum!" she said. A white tooth sat in Audrey's hand. "I hope the Tooth Fairy comes tonight," she said. "But she'll need help to find our house."

Audrey put her tooth in a billy so the Tooth Fairy could see it. Audrey asked her brother Price to sketch a map to help the Tooth Fairy. "She won't come out here", Price said. "Please", Audrey begged.

So Price sketched a map while Audrey drew a picture of her tooth. She stuck Price's map on her little cubby. Audrey curiously made an arrow with bulgy and cute little rocks on the tracks leading to the house.

Audrey stamped in the hot red dust so the Tooth Fairy could follow her footprints. She left a trail of breadcrumbs. Audrey thought the Tooth Fairy might be thirsty when she gets here. Audrey and Price pinned the drawing of Audrey's tooth to the back door. Finally, as the day ended Audrey made a wish on the first bright star.

But that night a fast, hot, fierce wind blew. It snatched the map from Audrey's little cubby. Dust fiercely covered her footprints while a frightened emu kicked the arrow made of bulgy, big rocks. A thirsty desert dingo snuck up to have a quick drink from the water bowl. The wind heavily ripped the drawing of Audrey's tooth from the back door.

Audrey was deeply worried the Tooth Fairy might not do trips in dust storms.

The next morning Audrey curiously checked the billy. "Muuuumm!! The tooth Fairy found me, she...and she left me a surprise."

Audrey smiled. "It's a miracle."

Maths Matters

Last Tuesday, Tatura Primary hosted a Maths Curriculum day for fifty teachers across three schools. Together with teachers from Mooroopna North and Mooroopna Park Primary Schools we worked with Dr James Russo on challenging maths tasks, using literature in maths and purposeful games.

On Wednesday Dr Russo worked in some of our classrooms, engaging students in various tasks and providing further professional learning to observing teachers.

Today's math session

Today we had a new math teacher called Dr Russo. He taught $\frac{3}{4}$ C a new game called the lucky roll. All of $\frac{3}{4}$ C picked a number of 1-100. I picked 2 and then we figured out how many you can win and lose. I could win 4 times and I could lose 2 times. Also say if I won dad would pay me 10\$ and if I lost I would have to pay him 10\$. Dad had to pay me 300\$. I had to pay him 50\$. He let me pick something out of the prize box. I got a ooy goo chocolate mint egg. I liked our math session today.
