Important Notice to parents!!!!

Communicating efficiently and effectively with our school community is very important to us.

Our main form of communication is through Compass, where student attendance can be followed up, student reports can be accessed, newsletters can be viewed and current news items can be received. Compass can be accessed through the app or online on your phones, computers or tablets.

FAQS:

What can I do if I lose my Compass login details or change my phone?

Just call Susanne at school and she will provide you with all the information you need to get back onto Compass.

Where can I find the fortnightly newsletters?

Newsletters can be found under the 'documentation' tab in Compass AND you can have the newsletters emailed to you- just register your email address at the office AND newsletters are posted on our website at www.taturaps.vic.edu.au AND you can pick up a printed copy from the office. NOTE: you will receive an alert via Compass when each newsletter is published.

What other forms of communication are there?

Classroom communication books for direct communication between teacher and parent/guardian

Excursion flyers and permission notes

Facebook site for celebrating student learning

Face to face

Phone calls

Occasional notes as reminders (like this one!)

Who do I see if I want to find out more about using Compass?
