Week 5 Term 3

## PRINCIPAL'S PIECE

### Getting into the Groove!

Last week we had a terrific dress up day when everyone dressed up as their favourite book character. Today the Foundation students and staff celebrated 100 days of school by dressing up as '100 year olds'. Thanks to all the parents and family who helped make each of these days one to remember.

### Brainstorm

Brainstorm, yet again, performed to the whole school and the messages about resilience and being brave were well received by everyone.

### One tree Per Child

Thanks to Allison and Allison from Land care who helped our students plant over three hundred trees yesterday. The Envirokids and Mooroopna Secondary students were out there all day helping to plant and spread mulch. We also appreciated the generous help of our parents and grandparents.

**PUPIL FREE

## COLDS AND RUNNY NOSES

Your child will require a handkerchief or tissues if they have a cold.

## STUDENT BANKING

Students have the opportunity to bank (with the Commonwealth Bank) each Tuesday. Ask at the office for further details.

## INCURSIONS & EXCURSIONS

Our students have a number of incursions and excursions occurring over the next month.

The cost of these events is included in your student charges. However, if these are yet to be paid, please make payment to the school office or through BPay to enable your child to participate.

### MUSIC LESSONS

Music lessons are an optional activity offered to grade 5 & 6 students. The cost of lessons and instrument hire **is not covered by school levies** therefore payment is required in order for your child to continue with music lessons. Term 3 fees are now due.

### PARENTS & FRIENDS

P & F will be conducting a Father's Day stall on Monday 26 August. Children may wish to purchase a gift for their dads (please do not send any more than \$10 per child).

Should you like to donate a gift for the raffle it would be much appreciated. Raffle books have also gone home today. Please return with money by Thursday 29 August.

## 2020 FOUNDATION ENROLMENTS

We would like to encourage families with Foundation students for 2020 to complete their enrolment forms as soon as possible as this enables the school to plan for next year.

## RECYCLE 1,000,000 BOTTLE TOPS

### How you can assist us

**Target 1,000,000** is a joint initiative between Grow With Joe, Envision, Wyndham City, Rotary and Lions. Together we will be gathering **1,000,000** bottle caps from a network of schools and community groups and transforming them into 3D filament, prosthetic hands, and other usable STEM items.

Check us at [www.growwithjoe.org](http://www.growwithjoe.org) and [www.envision.org.au](http://www.envision.org.au)

Plastic bottle caps are an essentially non-recycled waste product, also one of the top polluters in our oceans. We need you to collect as many as you can, then email us with your school's details. We will organize to pick them up and recycle them into 3D filament, prosthetic hands, and other usable STEM items for your school and others in the community.

School talks and demonstrations can be organized please, [email us](#)
