Week 7 Term 3

## PRINCIPAL'S PIECE

### Father's Day Stall

Thanks to everyone for supporting the Father's Day Stall run by Parents and Friends this week. It was great to see the children lovingly choosing gifts for the special men in their lives.

### Pupil free day last week

The staff made excellent use of the third pupil free day for the year. We spent time reviewing the curriculum needs of our students and developing rich documentation to support the teaching and learning at the school.

### Farewell to the 3/4 Campers

When farewelling the campers this morning, I asked them what they were looking forward to. There was much excitement about the 'leap of faith', the ropes course and the initiative exercises. I know that many will be going to camp for the first time and just the excitement of sleeping in dormitories and eating in the huge dining room will be new and exciting. Thanks to the staff: Tracey, Amanda, Nick and Charlotte, as well as our parent helpers: Matthew and Marnie. Everyone appreciates your commitment to our children and this opportunity to experience something new.

### Coming up!!!

JSC is having an out of uniform day on the last Wednesday of term.

On that day, students are encouraged to come dressed in their favourite sports gear and to bring a gold coin donation for the JSC fundraiser.

Also on that day, Parents and Friends will be having a hot dog day. Students will be asked to put their orders in the week before. Details to come.

School Council is having an exciting fund raiser on Friday the 18th October. Get ready for a terrific day—Details to come!!!!

**Susanne Gill, Principal**

## COLDS AND RUNNY NOSES

Your child will require a handkerchief or tissues if they have a cold.

BOOK CLUB DUE  
MONDAY  
6 SEPTEMBER

## FAMILY STATEMENTS

Family statements went home last Friday. Your immediate payment would be appreciated.

The cost of these ex/incursions is included in your student charges. However, if these are yet to be paid, please make payment to the school office or through BPay to enable your child to participate.

### MUSIC LESSONS

Music lessons are an optional activity offered to grade 5 & 6 students. The cost of lessons and instrument hire **is not covered by school levies** therefore payment is required in order for your child to continue with music lessons. Term 3 fees are now due.

### PARENTS & FRIENDS

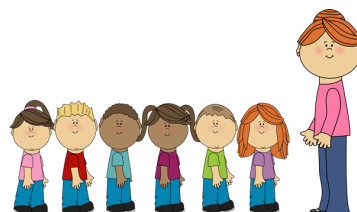

Many thanks to our students and parents for supporting our Father's Day stall.

A reminder to please return your raffle books with money by Thursday 29 August for the draw on Friday.

Happy Father's Day on Sunday to all our dads and grandfathers.

## 2020 FOUNDATION ENROLMENTS

We would like to encourage families with Foundation students for 2020 to complete their enrolment forms as soon as possible as this enables the school to plan for next year.

# JUNIOR NEWS

## 100 Days Smarter!

On Wednesday the 14<sup>th</sup> of August, Foundation students celebrated 100 Days of School. Children enjoyed dressing up as 100 year old people and participating in fun activities. We saw some lovely wigs, glasses, walking sticks, woollen jumpers, long skirts, beads, trousers and hats. The day started off with a parade and parents/carers enjoyed watching happy faces as students and teachers showed off their creative costumes. Students then rotated throughout the day to decorate a "100 Days Smarter" headband, they created an old person collage using modelling clay and participated in play-based activities relating to the number 100. Foundation students enjoyed eating delicious cakes to mark the occasion. A special mention and thank you to Tracy Fitzpatrick for making an amazing 100 Days cake and to Simone Dunne for supplying scrumptious theme based cupcakes. A very big thank you to our Foundation families for the effort they put into organising costumes. A terrific day enjoyed by all!

## TwistEd Science

Last week the junior section learnt about sound and light and how the light coming from the sun is actually rainbow, so when they wore holographic glasses and shone lights, they could see the rainbow colours. They also learnt about how sound travels through vibrations.

## Book Week

A big thankyou for everyone's effort during Book Week, it was lovely to see lots of book characters come to life!

Not long now until the school holidays, so let's keep up the excellent effort with our home reading and school organisation. Children need to remember to rest up and stay healthy so that we can make it to the holidays for a well deserved rest!

# Middle Section News

Grade 3/4 students have completed a writing unit on Poetry.

Poetry is not just rhyming! Even though poems are shorter than other forms of writing, they can still be quite tricky! We have enjoyed writing cinquain, haiku and limerick poems. Don't forget we are still using our Writers Notebooks during writing as well. Students can bring in a writing 'seed' to paste in their notebook and think about writing genres they could write about.

Thembi was a really good dancer,  
She liked the reindeer Prancer.  
She changed her socks,  
They were like rocks,  
She liked to munch on damper.

School.  
Fun, helpful.  
Learning, laughing, interesting.  
Running with my friends.  
Education.

By Ella Cope

There was a forgetful boy named Max  
Who really needed to pay his tax.  
He rushed to the office,  
To get some really big profits,  
Oh that forgetful boy Max.

By Declan Thomson

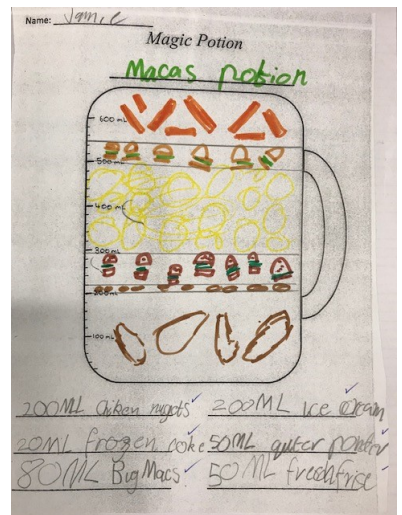

Man.  
Strong, handsome.  
Saving, giving, protecting.  
The man was kind.  
Boy.

By Cody Fraser

There was a fat man  
with lots of hair,  
Who looked liked a  
gigantic bear.  
He lived in a cave,  
He was very brave,  
My, that weird man  
with lots of hair.

By Levi Bowles

In mathematics we have begun a unit on Measurement. Students enjoyed informally measuring the capacity of various containers before using formal measurements to create their own potion!

Some students invited siblings at school or a grandparent. Others invited Mum or Dad or a special family friend.

Some of our students had their special guest who lived in town. Some invited someone who drove a few hours to enjoy some time with us.

### Grade 1/2 Special Celebration Lunch

To celebrate the end of our transaction writing students in Gr 1/2 wrote an invite to a special guest. Students spent the first four weeks of this term learning about letter writing, emails, text messages and it's language and interview questions. Our guest came for an early look into our classrooms where some of them shared something they were proud about in their learning. We then had a lovely lunch which allowed us to spend some time catching up with our special guest. We would like to thank all of our special guests that came to spend time with us. We appreciate it and the kids loved it too!!!!

Lily invited her sister Summer to come and have lunch with her as she knew her parents were working.

RJ and his Mum enjoyed having lunch and a chat.

Amani invited her Mum who bought her little sister to enjoy a special lunch with her. Ela & her Mum also had the same idea so they sat together to enjoy some time together.

# Assembly News

Well done to Kyla, Makayde, Anastasia & Betul who performed a Beethoven piece on their flutes. Thanks to Mrs Tennant who also came along to help support the girls. They girls have a lot of skill & some of the girls only started learning their instruments this year!!!

A group of Gr 3/4 students read aloud the poems they created. Students have been working hard to show their creativity & have visited other classrooms to share these with the teachers and students. Well done on to all of the students who bravely read their poems to the whole school.

A huge effort from two of our Foundation students who bravely spoke to tell us all about their special '100 Days of School'. Angus and Harry told us all about the different activities they participated in. The spoke about dressing up and having wrinkles put onto their faces to make them look older and then about how they got to have a special cake. The boys were very confident speaking in front of such a large audience. Well done boys!

## Transition Tatura

Transition Tatura ran a film competition that was open to students from F-6. Our Enviro students decided to enter some videos into the competition about different environment issues. Last Tuesday we held a special assembly to showcase their entries. After all of the students received an award and then the winners were announced. Alfred Heuperman presented the winners with a cash prize donated from Greater Shepparton Council. Congratulations to Jack Findlay & Jemma Hart who won the F-3 category and Levi Bowles and Callum Bailey who won the Gr 4-6 category.

## RECYCLE 1,000,000 BOTTLE TOPS

### How you can assist us

**Target 1,000,000** is a joint initiative between Grow With Joe, Envision, Wyndham City, Rotary and Lions. Together we will be gathering **1,000,000** bottle caps from a network of schools and community groups and transforming them into 3D filament, prosthetic hands, and other usable STEM items.

Check us at [www.growwithjoe.org](http://www.growwithjoe.org) and [www.envision.org.au](http://www.envision.org.au)

Plastic bottle caps are an essentially non-recycled waste product, also one of the top polluters in our oceans. We need you to collect as many as you can, then email us with your school's details. We will organize to pick them up and recycle them into 3D filament, prosthetic hands, and other usable STEM items for your school and others in the community.

School talks and demonstrations can be organized please, [email us](#)
