Week 9 Term 3

PRINCIPAL'S PIECE

New face in the Office

Welcome to Mrs Lisa Eddy. Lisa is doing a great job in the office supporting the teachers and families. Lisa is replacing Mrs Roberta Gibbs who is currently on long service leave in the UK. Please make yourself known to Lisa as you visit the office over the next couple of weeks.

TPS Colour Explosion

Last week we announced this great fundraiser for Term 4. Details were sent home earlier this week and there is more information later in this newsletter. See Justine or Nicole in grades 1/2 or Sally Beale (Liam's Mum) if you have more questions. We had some delay with the sponsorship portal but are hopeful that it is up and running as you read this!

End of Term Arrangements

We finish up for the term on Friday 20 September. Please remember that we finish at 2:30pm. After the bell will begin their after school care program then and the bus will also run from school at 2:30. We wish everyone a happy and safe holiday.

School Council report

We are pleased to announce that we have approved the works to be completed in the new grounds around A-Block. There are exciting plans to have a playground for the younger children in the eastern section near the canteen. There will be an outside learning space created in the western section outside the staffroom. The front and side gardens will also be created along Service and Albert Streets. We are hoping to get a lot of the structural work done during the holidays.

Parent teacher conferences

As this newsletter goes out I can report that we still have about 100 students without interview times. If you haven't made your appointment via Compass, your teacher will send home your allocated time on Friday or Monday. Thanks to those who have made their own appointments so far. We know that these conferences are a very important time to share with your child and teacher conversations about progress being made with your child's learning.

Hotdog day and Out-of-uniform day: Wednesday 18 September

Thanks to P&F and JSC for organising this day. Don't forget to get your hotdog orders in by Monday. \$3:50 per hotdog must be in a lunchbag with your child's details and order clearly written on the outside.

Lots of extras!

In the newsletter today, you'll find many advertisements for great things happening around the area over the next few weeks. Read them carefully, they might be great for your children!

Susanne Gill, Principal

THE COLOUR CRAZE THAT'S SWEEPING THE NATION™

From today, we commence the School Run4Fun Colour Explosion which is as a major fundraiser this term so we do ask for your support. The more money we raise the more we can provide for the students through vital school projects, in particular **the new playground**.

The School Run4Fun Colour Explosion will be held on **11/10/2019** in the afternoon. We do ask that you bring a spare change of clothes to school, most importantly a plain white shirt as the students will be covered in powder from head to toe. The day's focus is on fun and fitness with the added benefit of raising funds for our school.

Colour Powder

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. Students with asthma are advised to be careful in their decision to participate.

How Does My Child Fundraise?

Students have now received a Sponsorship Form with instructions on how to raise money and order prizes. Students obtain donations in cash using the Sponsorship Form together with online fundraising.

Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not aim higher? You have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for your support. You will reach your fundraising goal in no time.

Student Profile Page

Create a Student Profile Page at www.myprofilepage.com.au which is unique to you. There are also some great features like recording your sponsorships and selecting your prize goal.

You can also register for online fundraising. It's the easiest way to help your child raise money and to reach your fundraising goal sooner.

WIN A SHARE OF \$200,000 WORTH OF FREE SPONSORSHIP DONATIONS. Create a Student Profile Page at www.myprofilepage.com.au and enter your unique code found on page five (5) of your Sponsorship Form to see if you're an instant winner. Give your fundraising goal a kick start!

How to Order Prizes?

To reward your child for their efforts, they will receive incentive prizes based on the total amount of sponsorship dollars raised in cash, online, and if applicable, any **FREE SPONSORSHIP DONATIONS** won using the unique code on page five (5) of the Sponsorship Form. You have two options to place your prize order:

1. Login or create a Student Profile Page at www.myprofilepage.com.au. Once the fundraiser has finished, click the 'ORDER MY PRIZE' button and then confirm your total amount raised and order your prize/s, **OR**
2. Complete the back page of the Sponsorship Form and return to the school.

Please note, all donations need to be finalised on or before **21/10/2019**. Student prizes will be delivered shortly after.

Thank you in advance for your participation, and get ready for a BLAST OF COLOUR! Happy fundraising!

Justine Russell, Nicole Evans and Sally Beale

A huge thank you to our parent helpers Marni and Matt for assisting our teachers and to the Lenne Family who supplied some delicious apples for us to have as snacks.

Well done to all the 3/4 students for their terrific listening and behaviour whilst on camp.

Foundation students celebrated their first 100 days of school and also did some oil pastel and ink wash patterns.

Grade 1 and 2 made some fantastic insects with detailed patterns.

They also examined the way they feel when they are upset and drew and inkwashed their "monster."

Grade 3/4 kids made a 3 layered receding landscape with a silhouetted village in the foreground.

Grade 5/6 made a study of Pop Art with a modern take, and they also looked at the tessellations of Escher.
