Week 5 Term 4

PRINCIPAL'S PIECE

Sun Smart

It is great to see student's remembering to bring their hat to school now that we are in Term 4. As per our Sun Smart Policy, all students are required to wear their hats when outside. This of course includes PE and any other outdoor activities. Please ensure that hats are named, which will assist us in returning ones that are misplaced.

Planning for 2020

- ♦ **Are you leaving the school in 2020?** With the year's end fast approaching, we are beginning to plan for 2020. To assist us in this planning, if you are leaving the school in 2020 we would appreciate you letting us know as soon as possible- thank you to the parents who already have informed the school. Parents of students transitioning to secondary school need not notify us.
- ♦ **School Structure and Class Placement:** next year we will be running 11 classes: 2 X Foundation; 3 X Grade 1/2, 3 X Grade 3/4 and 3 X 5/6. Very shortly we will commence the process for allocating students to classes for 2020. As mentioned in our previous newsletter, the process each year is a complex and considered one, to enable the best learning environment for all. Parents may have academic, social and/or emotional information regarding their child they would like us to consider. These requests need to be made in writing, addressed to either myself or Susanne Gill by Friday 29th November. In fairness to all, we do not accept requests for a specific teacher; however, we make every attempt to accommodate requests based on academic, social and emotional needs.
- ♦ **In-school Transition:** later in the term the school organises an in-school transition program to support our students as they transition to the next school level.
- ♦ **Transition to Secondary School:** Tuesday 10th December our current Year 6 students attend an Orientation Day at their prospective secondary schools.
- ♦ **2020 Foundation Students:** this coming Friday will be the first of 3 transition days for next year's Foundation students. If there are any families in our school community who know of any children who have not yet enrolled, please encourage them to contact the school.

Parent Helpers Morning Tea

Our parent and community helpers morning tea will be held on **Friday 13th December** at 11am in the library. It is a staff initiative to acknowledge and show appreciation for the support and assistance that parents (and other family members) and community members provide in a range of school activities throughout the year. Please note the

date and time in your diaries. Further information will be forthcoming closer to the event.

Basketball Tournament

Last Friday Mr Nihill and a group of grade 5/6 students proudly represented TPS at the Shepparton Regional Basketball Tournament. Our students displayed exemplary sportsmanship and teamwork, winning 3 out of 4 games. We would like to thank Madeleine Rejis who coached the boys and Amanda Hamilton for providing transportation to the game. Both Mr Nihill and Miss Rejis were very proud of the team! Thank you also to the parents who took time out of their day to go and support the team.

2020 STUDENT CHARGES

At last week's School Council meeting, School Council set the charges for students for 2020 at \$300.

Eligible families may be able to apply for CSEF which covers the cost of ex/incursions. Families will be required to pay for camps and other activities which are optional and applicable to individual students.

3/4 and 5/6 Camps are expected to cost approximately \$330 per student.

Families are most welcome to pay by instalments.
Please make arrangements with the school office.

In 2020, families are required to purchase their own stationery requirements for their child/ren from whichever supplier they prefer eg: Officeworks, Big W, Kmart, newsagents. Booklists will be given to students early in December. Whilst particular brands may be recommended, the choice is yours to make.

EXCURSIONS COMING UP

There are a number of excursions occurring in the next month or two. Please note if payment is required in order for your child to participate.

Invoices for term 4 music have been added to family accounts. Please pay these outstanding amounts in order for your child to continue with music lessons.

PURCHASE A PICKET

As a school fundraiser, we have picket fence panels for sale that we would love families to paint.

These pickets will be installed as a feature of the entrance to the sensory playground.

Drop by the school office to purchase....\$10 each.

JUNIOR NEWS

Wow, we are already in Week 5 of Term 4! We are enjoying another great term with lots of learning and exciting activities taking place.

CLASS TALKS

Last week the F/1/2s presented their class talks. We were very impressed with the effort that went into preparing the talks. It was great to see some creativity! We have been learning about asking interesting questions and giving positive feedback.

TRANSITION

Foundation students will be working with their Buddies on a Friday morning for the next three weeks. Our 2020 Foundation children will spend time at school. They will complete some fun activities and see what it is like being a student at Tatura Primary School.

CONCERT

Practise for our school concert has commenced! Please keep an eye out for notes going home regarding costumes/ what to wear on the evening.

GRADE 1/2 EXCURSION

On **Friday 15th November**, Grade 1/2 students will be off to the Mansfield Zoo. The bus will leave at 8:00am sharp. Please see your child's teacher if you have any questions.

It will be a terrific day!

F-2 AUSTRALIAN ANIMAL ACTIVITY DAY:

To celebrate a great term and everything we have learnt about Australian animals, the Junior Section will be having a dress-up and activity day on **Monday 25th November**. Foundation, One and Two children can dress-up as their favourite Australian animal. We will begin the day with a parade under the Big Shed at 9:10am. Up until lunch the children will participate in Australian animal activities and will rotate around in mixed groups.

We are looking forward to a great day!

How many squares can you see?

Maths Matters

MAKE A DOLLAR

Place **twenty 5 cent coins** and **twenty 10c coins** in a dish in the middle of 2-4 players. Players take turns to roll the dice and take as many coins as is shown on the dice. For example, if you roll a 4 you can take four coins from the collection. It is up to the player whether they take 5 or 10 cent coins or a mix.

The amounts are added up as you go and **the aim is to be the play who gets as close to one dollar without going over.**

GAME OF NIM

Place counter in a pattern like the diagram below. Players take it in turns to remove one or two counters. The winner of the game is the player who removes the last counter. Play 5 times, can you see a pattern?

Tirrim and Angus playing KenKen

Thembi and Ashlyn measuring their ingredients at Quantum.

Use different shaped pastas, nutigrain, nuts & bolts, coins, buttons, bottle tops to practise counting and patterns.

Estimate how much rice fits into a cup.? Count into groups of 10, put an egg ring around 10 groups to make 100.....

Make each line add up to 16.

Make each line add up to 20.

Shared Focus Time is done throughout the session so that students benefit from the strategies and ideas other students have.

The Instructional Model we are sharing with you today is the **Reading** model.

During each reading lesson, teachers will begin by 'Tuning In' the students. They will share the Learning Intention and Success Criteria so students know what will happen in the lesson and how they can be successful. They engage the learners by practising fluency, comprehension or vocabulary activities.

During the 'Explicit Teaching' section, teachers will model a skill to the whole class that they want the students to learn. This may be done through a mentor text, class novel, PowerPoint etc.

'Have a Go!' is the main part of the lesson. This is where students will use the skill they have just learnt and apply it to an activity that is differentiated to their ability. Students may participate in a guided reading session, independent reading or conferencing.

'Reflection' time is where students can share their thinking. They are given time to turn and talk, be the teacher and receive feedback. They will hear the Success Criteria again so they know if they have achieved success during the lesson.

Next week we will introduce the 'Writing' model.

RECYCLE 1,000,000 BOTTLE TOPS

How you can assist us

Target 1,000,000 is a joint initiative between Grow With Joe, Envision, Wyndham City, Rotary and Lions. Together we will be gathering **1,000,000** bottle caps from a network of schools and community groups and transforming them into 3D filament, prosthetic hands, and other usable STEM items.

Check us at www.growwithjoe.org and www.envision.org.au

Plastic bottle caps are an essentially non-recycled waste product, also one of the top polluters in our oceans. We need you to collect as many as you can, then email us with your school's details. We will organize to pick them up and recycle them into 3D filament, prosthetic hands, and other usable STEM items for your school and others in the community.

School talks and demonstrations can be organized please, [email us](mailto:info@growwithjoe.org)
